

LIST OF POTENTIAL ROADS FOR ADOPTION

Updated Monthly - Effective 5/29/2012

Thank you for participating in the Adopt A Road (AAR) Program. The following list is roads Montgomery County Department of Transportation (MCDOT) has identified as good candidates for adoption. Because of the large inventory of roads throughout Montgomery County and the many applications received, there may be a few roads that are available but not yet identified below and/or a road below may already be adopted, so please select 2 roads when filling out the application. *Roads that contain a number are STATE owned. Contact Adopt A Highway Office at 301-948-2477.*

This program allows citizens and businesses of the County to participate in a community activity by keeping roads clean and litter free. Currently, there are over 300 participants in the program who have agreed to maintain and report their cleanings (with at least six major clean-ups per year). In exchange for their cooperation and participation a sign bearing the name of the organization or individual was installed for recognition, if requested. *Note: if a complaint is submitted by a resident or neighborhood association regarding the installation of a sign, there is a chance it will need to be taken down.*

This program helps in minimizing the accumulation of litter and debris in the public rights-of-way. When left uncollected, litter and debris will be washed into the storm drains, and ultimately into the watersheds that feed into our water system. Since the County has no funded litter collection program, the AAR program is a valuable tool in helping to keep our roads and streams environmentally healthy. THANK YOU!

For questions or an application contact the Community Outreach Office
